"GOT AN IDEA? MAKE IT A REALITY!"

RULE BOOK

BASIC INFORMATION

• Team Size:

A team can consist of 1 to 4 members. This means that participants can either present their ideas individually or collaborate with a small team of up to four people.

• Time Limit:

Each team will be given 10 minutes to present their pitch. Within this time frame, they should explain their idea clearly, highlight its uniqueness, and convince the panel about its potential.

• Mode of Competition:

The competition will be conducted in two modes: Online and Offline. The Online Mode is exclusively for participants residing outside the host city, while those from the host city are required to be physically present at the venue for the Offline Mode.

• Entry Fee:

There is a registration fee of ₹200 for each team participating in the event. This fee must be paid in advance to confirm the team's entry into the competition.

• Eligibility for pitches:

Ideas from all domains are welcome, meaning that participants are not restricted to business-related pitches. They can present innovative solutions, startup ideas, academic projects, or any creative concept they wish to showcase.

• Presentation Format:

While not mandatory, it is highly recommended that participants prepare their idea presentation in PowerPoint (PPT) format. A well-structured PPT can help make the pitch more visually appealing, professional, and easy to understand.

RULES

- Eligibility:

  Online participation is only for those residing outside the host city, while local participants must attend the competition at the venue.

- Attendance & Participation:

  Online participants must ensure a stable internet connection, and offline participants must report on time.

- Technical Requirements (Online Mode):

  A device with a webcam and microphone is required, along with adherence to submission and communication guidelines.
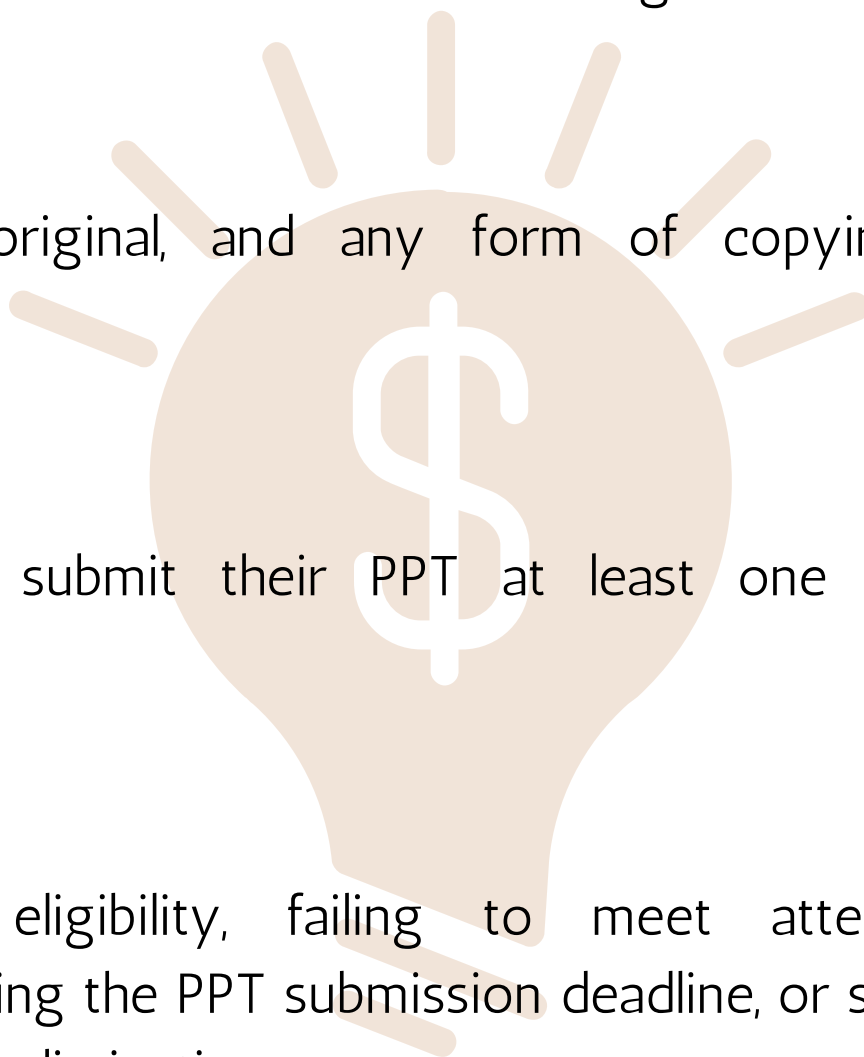

- Originality:

  Ideas must be original, and any form of copying will lead to disqualification.

- PPT Submission:

  Participants must submit their PPT at least one day before the competition.

- Disqualification:

  Violating mode eligibility, failing to meet attendance/technical requirements, missing the PPT submission deadline, or submitting copied ideas may result in elimination.
